BINIK, Yitzchak (Irv) M.

Department of Psychology, McGill University
1205 Docteur Penfield
Montréal, Québec
H3A-1B1
Tel# : (514) 398-6095
E.mail : binik@ego.psych.mcgill.ca
Fax : (514) 398-4896

Personal Information

Date of Birth: February 6th, 1949
Marital Status : Married, 2 children
Languages: English, French, Hebrew

Academic and Clinical Experience

University studies:

- B.A. in History**
New York University
Received 1970
- B.H.L. in Jewish Studies**
Jewish Theological Seminary
Received in 1970
- M.A. in Experimental Psychopathology- Clinical Psychology**
University of Pennsylvania
Received in 1972
- Ph.D. in Experimental Psychopathology- Clinical Psychology**
University of Pennsylvania
Received in 1975

Internship

- Clinical Internship**
Warneford Hospital, Department of Psychiatry
Oxford University, England
1974-1975

Honors

2007 Masters and Johnson Award for lifetime achievement, Society for Sex Therapy and Research

2004 Distinguished Contribution to Professional Psychology, Canadian Psychological Association

Fellowships and Memberships

2005-present	Canadian Sex Research Forum
2001-present	International Society for the Study of Women's Sexual Health (ISSWSH)
2000-present	Canadian Pain Society
1999-present	International Association for the Study of Pain
1999-present	International Academy of Sex Research, Full member
1999	Executive Council, Society for Sex Therapy and Research
1999	Fellow, Canadian Psychological Association
1995-1999	International Academy of Sex Research, Associate member
1993-present	Society for Sex Therapy and Research, member
1989	American Board of Sexology, Diplomate
1986-1995	McGill Artificial Cells and Organs Research Center, Associate member
1986-present	Society for the Scientific Study of Sex
1985	Association of Sex Therapists and Counselors
1977-present	American Psychological Association
1977-present	Canadian Psychological Association
1974	Sigma Xi
1971-1974	NIHM Clinical Training Fellow
1970-1971	Teaching Fellow, University of Pennsylvania
1970	Phi Beta Kappa
1970	Maas History Essay Award Winner, NYU
1966-1970	Dean's List, NYU
1966	Jewish War Veterans Scholarship
1966-1970	University Fellowship, NYU
1966-1970	New York State Regents Scholarship

Working/Teaching Experience

Professor:	McGill University 1992-present
Director:	Sex and Couple Therapy Service, Royal Victoria Hospital 1982-present
Associate Professor:	McGill University 1981-1992
Assistant Professor:	McGill University 1975-1981
Teaching Assistant:	University of Pennsylvania 1970-1974

Courses Taught

McGill University	Introduction to Abnormal, Behavior Problems, Emotion, Experimental Psychopathology, Laboratory Methods in Psychology, Human Sexuality and its Problems, Psychopathology (grad. and undergrad), Case Conference Seminar (grad.), Clinical Seminar (grad.)
University of Pennsylvania	Abnormal, Personality, Seminar on Psychopathy

Research Funding

2012-15	Dyspareunia: Is it a Women's Problem? Canadian Institutes of Health Research \$310, 500 Role: Principal Investigator
2011-12	Where is vulvar pain in the brain? The central representation of sensory and subjective perception of pain in provoked vestibulodynia National Vulvodynia Association \$21, 900 Role: Principal Investigator
2011-12	Male Dyspareunia: Vive La Difference? CIHR \$96, 184 Role: Principal Investigator
2009-12	Psychosocial predictors of vulvodynia: A prospective study SSHRC \$117, 287 Role: Co-Investigator (PI. is S. Bergeron, U of Montreal)
2008-12	Dyadic predictors of pain and related psychosexual impairment in women with vulvodynia: A prospective investigation. CIHR \$239,950 Role: Co-investigator (PI is S. Bergeron , U of Montreal)
2009	Thermography as a measure of sexual arousal in men and women Pfizer Canada \$50,000 Role: Principal Investigator
2007	Mouse Model of Vulvar Vestibulitis Syndrome Using Recurrent Vulvovaginal Candidiasis G.W. Stairs Memorial Fund \$12,350 Role: Principal Investigator
2006-2008	Mouse Model of Vulvar Vestibulitis Syndrome Using Recurrent Vulvovaginal Candidiasis National Vulvodynia Association \$22,100 Role: Principal Investigator
2005-2010	Sexual Pain is not that Sexy: A Multidimensional but Pain Focused Model CIHR \$703,000 Role: Principal Investigator
2005-06	Thermography as a Measure of Female Sexual Arousal Pfizer Canada \$ 90,000 Role: Co-Principal Investigator with Serge Carrier M.D.

2005 **Thermography as a Measure of Male Sexual Arousal**
Canadian Men's Sexual Health Council
\$ 30,000
Role: Co-Principal Investigator with Serge Carrier M.D.

2004-2006 **Self-induced Ejaculation and Orgasm Potential in Spinal Cord Injured Men**
Christopher Reeve Paralysis Foundation
\$ 138 668
Role: Co-Investigator, Frederique Courtois – Principal Investigator

2004-2009 **Dyadic Determinants of Pain and Related Psychosexual Impairment in Women with VVS**
CIHR
\$ 105 344
Role: Co-Investigator, Sophie Bergeron - Principal Investigator

2002-2004 **La Therapie Cognitivo-Comportementale de Soulagement de la Douleur Pour le Traitement de la Vestibulite Vulvaire: Une Étude Controlée a Repartition Aléatoire.**
FRSQ
\$ 112 069
Role: Co-Investigator, Sophie Bergeron – Principal Investigator

2001-2005 **The Sexual Pain Disorders: Is the Pain Sexual or is the Sex Painful**
CIHR
\$ 436 000
Role: Principal Investigator

1999-2000 **Ultrasonographic Evaluation of Clitoral Ultrasound**
Pfizer Canada
\$ 25 000
Role: Co-Principal Investigator with Samir Khalife

1998-2000 **Pre-Dialysis Psychoeducational Intervention**
Janssen-Ortho Inc
\$ 20 000
Role: Co-Principal Investigator with Gerry Devins

1998-2000 **Investigating the Pain in the Sexual Pain Disorders**
Fonds de la Recherche en Santé du Québec
\$ 99 504 (declined)
Role: Principal Investigator

1998-2001 **Investigating the Pain in the Sexual Pain Disorders**
Medical Research Council of Canada
\$ 189 852
Role: Principal Investigator

1997-1998 **An Investigation of the Relationship of Candidiasis to Dyspareunia**
Pfizer Canada
\$ 70 000
Role: Co-Principal Investigator with Samir Khalife

1996-1998 **Pre-Dialysis Psychoeducational Intervention**
Health Canada (NHRDP)

\$ 250 000
Role: Co-Principal Investigator with Gerry Devins

1995-1996 **A Pilot Study to Test the Efficacy of Fluconazole as a Treatment for Dyspareunia**
Pfizer Inc.
\$ 50 040
Role: Co-Principal Investigator with Samir Khalife

1994-1995 **Pre-Dialysis Psychoeducational Intervention**
Health Canada (NHRDP)
\$ 79 562
Role: Co-Principal Investigator with Gerry Devins

1994-1996 **Coital Pain: A Neglected Women's Health Problem**
Health Canada (NHRDP)
\$ 150 592
Role: Principal Investigator

1991-1993 **Psychosocial Impact of Chronic, Life Threatening Illness: Lessons From End-Stage Renal Disease**
Health & Welfare Canada (NHRDP)
\$ 322 494
Role: Co-Principal Investigator with Gerry Devins

1989-1991 **Psychosocial Impact of Chronic, Life Threatening Illness: Lessons From End-Stage Renal Disease**
Health and Welfare Canada (NHRDP)
\$ 425 322
Role: Co-Principal Investigator with Gerry Devins

1989-1989 **Psychosocial Impact of Chronic, Life Threatening Illness: Lessons From End-Stage Renal Disease**
Health & Welfare Canada (NHRDP)
\$ 413 375
Role: Co-Principal Investigator with Gerry Devins

1985- 1987 **Bioclinical Aspects of Human Sexuality**
FCAR
\$ 75 000
Role: Team Grant with Barbara Sherwin

1985-1987 **Psychosocial Impact of Chronic Life-Threatening Illness: Lessons From End-Stage Renal Disease**
Health & Welfare Canada (NHRDP)
\$ 343 991
Role: Co-Principal Investigator with Gerry Devins

1983 – 1985 **Psychosocial Impact of Chronic Life Threatening Illness: Lessons From End-Stage Renal Disease**
Health & Welfare Canada (NHRDP)
\$ 203 303
Role: Co-Principal Investigator with Gerry Devins

1983-1986 **Facteur Psychosociaux Dans la Maladie Chronique: Maladie Renal en Phase Terminale et Diabète**

	F.C.A.C. \$ 67 126 Role: Team Grant with Andy Baker
1980-1983	Aspects Psychologique Lies à la Dialyse et l'Urémie F.C.A.C \$ 84 696 Role: Team Grant PI: Team Grant with Andy Baker
1981-1982	Psychosocial Aspects of ESRD Kidney Foundation of Canada \$ 14 940 Role: Principal Investigator
1980-1981	Psychosocial Aspects of Renal Dialysis and Transplantation Kidney Foundation of Canada \$ 10 000 Role: Principal Investigator
1979	La Sexualité Humaine – Etudes Experimentales et Cliniques sur les Facteurs Affectant la Réaction Sexuelle Chez les Hommes et les Femmes \$ 13 500 Role: Team Grant PI: B. Brender, Jane Stuart, Elizabeth Henrik
1979	Graduate Faculty Equipment Grant \$ 2 931 Role: Principal Investigator
1979-1981:	Psychosocial Aspects of Renal Dialysis and Transplantation Medical Research Council \$ 29 700
1976-1979:	Learned Helplessness and Sudden Death National Research Council \$ 12 932

Consultation

2008-Present	Member American Psychiatric Association, DSM-V Development Committee on Sexual and Gender Identity Disorders
2008	Member World Health Organization Committee on Sexual Pain Disorders, Pathophysiology and Treatment
2008:	Member

- Binik, Y.M. (2011, October). *Sexuality and aging in the Viagra era*. Invited speaker at the 9th annual McGill Interdisciplinary Geriatric Seminar, Montreal, QC.
- Binik, Y. M. (2011, October). *Diagnosis and management of sexual pain: Is the pain sexual, or is the sex painful?* Invited speaker at the 2011 International Pelvic Pain Society annual fall meeting, Las Vegas, Nevada.
- Binik, Y.M. (2011, June). *Who's afraid of the vaginal wolf?* Invited speaker at the 2011 meeting of the British Pain Society, Edinburgh, Scotland.

- Binik, Y.M. (2011, June). *Does sex therapy for sexual pain make sense?* Invited speaker at the 20th World Congress for Sexual Health, Glasgow, Scotland.
- Binik, Y. M. (2011, April 11). *Genital pain: key elements of psychological treatment*. Invited speaker *Hot Cold, and Painful Sex in Women* [Professional Workshop], Imperial College Healthcare, London, England.
- Binik, Y.M. (2011, April) *Is there anything new under the sun about so called sexual pain?* Oral presentation at St. Mary's Hospital, London, England.
- Binik, Y.M. (2011, February). *Pain during intercourse is a real pain*. Oral presentation at the School for Public Health, Hadassah Medical School, Jerusalem, Israel.
- Binik, Y.M. (2011, February) *Sexual pain: What does it mean?* Oral presentation at the department of Neurology, Rambam Hospital, Haifa, Israel.
- Binik, Y.M. (2010, October) *Who's afraid of the Vaginal Wolf: a "new" approach to the diagnosis and treatment of vaginismus*. Oral presentation at the annual meeting of the International Society of Psychosomatic Obstetrics and Gynecology, Venice, Italy.
- Binik, Y.M. (2010, September) *The DSM-5 Classification of FSD: Is Classification a "DSM"mal Science?*. Oral presentation at the annual meeting of the International Society for Sexual Medicine, Seoul, Korea.
- Binik, Y.M. (2010, April). *Integrating animal and human research on sexuality*. Oral presentation at the Spring 2010 Colloquium of the Center for Studies in Behavioral Neurobiology, Concordia University, Montreal, Quebec.
- Binik, Y.M. (2010, April) *Sexual pain disorders*. Oral presentation at the annual meeting of the Society for Sex Therapy and Research, Boston, Massachusetts.
- Zucker, K.J., Graham, C., Binik, Y.M., & Segraves, R.T. (2010, April) *Follow-up on DSM-V: The Sexual Dysfunctions; Updates and discussion by members of the DSM-V workgroup on Sexual and Gender Identity Disorders*. Symposium conducted at the meeting of the Society for Sex Therapy and Research, Boston, Massachusetts.
- Binik, Y.M. (2010, March). *Who's afraid of the vaginal wolf? Deconstructing dyspareunia and vaginismus*. Oral presentation at grand rounds in the Department of Obstetrics and Gynecology of Duke University Medical School, Raleigh, North Carolina.
- Binik, Y. M. (2009, August). *A review of the diagnosis of vaginismus*. Oral presentation at the annual meeting of the International Academy of Sex Research, San Juan, Puerto Rico.
- Binik, Y. M. (2009, July). *Dyspareunia: Is the pain sexual or is the sex painful*. Presented at grand rounds in the Dept. of Sexual Medicine. St. Mary's Hospital, London, England.
- Binik, Y. M. (2009, July). *The sexual pain disorders*. Presented at the Pain Management Clinical Scientific Meeting at the Pain Management Centre, National Hospital for Neurology and Neurosurgery, London, England.
- Binik Y. M. (2009, August). *Sexual pain through the Life Cycle: Assessment and Treatment of Dyspareunia & Vaginismus*. Workshop presented to the Israeli Society for Sex Therapy. Shefaim, Israel.
- Binik, Y. M. (2009, April). *Who's afraid of the vaginal wolf; A review of the diagnosis of vaginismus*. Oral Presentation at the 34th annual meeting of the Society for Sex Therapy and Research, Arlington, Virginia, USA. Oral Presentation at the 34th annual meeting of the Society for Sex Therapy and Research, Arlington, Virginia, USA.
- Binik, Y. M. (2009, March). *Dyspareunia: Is the pain sexual or is the sex painful*. Oral presentation at research rounds of the Dept. of Psychiatry, Jewish General Hospital, Montreal, Quebec, Canada.

- Binik, Y.M., Meana, M. (2008, October). *Does Sex Therapy Have a Future?* Plenary presentation at the Canadian Sex Research Forum, Montreal, Quebec, Canada.
- Binik, Y.M. (2008, August). *So called Sexual Pain*. Oral presentation at the International Association for the Study of Pain, Glasgow, Scotland.
- Farmer, M. Mogil, J. & Binik, Y.M. (2008, June) *From mice to women: Impact of acute and inflammatory pain on sexual motivation and pain behavior in mouse models of genital pain*. Oral presentation at the McGill University Health Center Rounds, Montreal, Quebec. Canada.
- Kao, A., Binik, Y.M., Khalifé, S., Funaro, D., Leroux, N. (2008, June). *Postmenopausal dyspareunia: Emerging research on painful intercourse following the climacteric*. Oral presentation at the McGill University Health Center Pain Rounds, Montreal, Quebec, Canada.
- Binik, Y.M. (2008, February). *The sexual pain disorders: Is the pain sexual or is the sex painful?* Oral presentation at grand rounds of the Dept. of Psychiatry, University of Vermont, Burlington, Vermont
- Binik, Y. M. (2008, April) *So-called Sexual Pain: Is this pain different from all other pains?* Oral presentation at the rounds of the Pain Center of the McGill University Health Center.
- Binik, Y. M. (2007, November). *Dyspareunia: Is the pain sexual or is the sex painful?* Oral presentation at grand rounds of the Department of Psychiatry of the McGill University Health Center, Montreal, QC.
- Binik, Y. M. (2007, November). *Sexual medicine research at McGill has come of age*. Oral presentation at urology research day. McGill University Health Center, Montreal, QC.
- Binik, Y.M. (2007, May). *Some like it hot: Thermography and Sexual Arousal*. Oral presentation to the research division of Church and Dwight Inc. Princeton, NJ.
- Binik, Y.M. (2007, April). *Sexology and gynecology: What Happened?* Oral presentation at grand rounds of the Dept. of Obstetrics and Gynecology. The Reading Hospital and Medical Center. West Wyomissing, PA, USA
- Binik, Y.M. & Meana, M. (2007, March). *Does Sex Therapy Have a Future?* Oral presentation at the annual meeting of the Society for Sex Therapy and Research, Atlanta, Georgia, USA.
- Lahaie, M-A, Binik, Y.M. (2007, February). *Clinical Case Presentation*. Oral presentation at the Annual meeting of the International Society for the Study of Women's Sexual Health, Orlando, Florida, USA.
- Binik, Y.M. (2007, February). *Sex and the Single Gynecologist: Time for a Reconciliation*. Oral presentation to the Philadelphia Society for Obstetrics and Gynecology. Philadelphia Pennsylvania, USA
- Binik, Y.M. (2006, October). *Dyspareunia*. Oral presentation at postgraduate course of the American Society for Reproductive Medicine. New Orleans, Louisiana, USA.
- Binik, Y.M. (2006, October). *Vaginismus*. Oral presentation at postgraduate course of the American Society for Reproductive Medicine. New Orleans, Louisiana, USA
- Binik, Y.M. (2006, October). *Vulvodynia*. Oral presentation at postgraduate course of the American Society for Reproductive Medicine. New Orleans, Louisiana, USA
- Binik, Y.M. (2006, October). *What does psychological science say about homosexuality*. Address to the Montreal Diocesan Conference Synod.
- Binik, Y. M. (2006, May). *Dyspareunia: Is the Pain in the Vulva, the Pelvis or the Head? Does it Matter?* Invited presentation at the World Congress on Pelvic Pain and Endometriosis. Milan, Italy.

- Binik, Y.M., Payne, K.A., Pukall, C.F. (2006, March). *"When I'm touched it feels so good that it hurts."* Invited presentation at the International Society for the Study of Women's Sexual Health. Lisbon, Portugal.
- Binik, Y.M. (2006, February). *Dyspareunia: Is the Pain Sexual or is the Sex Painful.* Invited presentation given at Grand Rounds the Department of Obstetrics and Gynecology of Case Western Reserve, Cleveland, Ohio.
- Binik, Y.M. (2004, October). *Is the Sex Painful or the Pain Sexual? A Proposal for Reclassification.* Invited presentation given at Vulvodynia and Sexual Pain Disorders in Women: A State of the Art Consensus Conference, Atlanta, GA.
- Binik, Y.M. (2004, October). Genital Sexual Pain. State of the Art Lecture. Invited presentation given at *International Society for the Study of Impotence Research*, Buenos Aires, Argentina.
- Binik, Y.M. (2004, June). *Psychology is from Mars but Sexology is from Venus: Can they Meet on Earth?* Address to be given as recipient of Distinguished Contribution to Professional Psychology Award by the Canadian Psychological Association. Canadian Psychological Association Meeting, St. Johns, Newfoundland.
- Binik, Y.M. (2004, May). *Just How Sexual is Sexual Pain: Research and Clinical Perspectives.* Colloquium presented at Center for Women's Health. Robert Woods Johnson Medical School, New Brunswick, NJ.
- Binik, Y.M. (2004, March) *The Sexual Pain Disorders: Is the Pain Sexual or is the Sex Painful?* Colloquium presented at grand rounds, Department of Psychiatry, Columbia University, New York, NY.
- Binik, Y.M. (2004, March) *Who's Afraid of the Vaginal Wolf?* Colloquium presented at the HIV Center for Clinical and Behavioral Research, Dept. of Psychiatry, Columbia University, New York, NY.
- Binik, Y. M. (2003, July). *When Intercourse Hurts, It's a Real Pain and Should Be Treated a Such.* Paper presented at the annual meeting of the International Association for Sex Research (IASR), Bloomington, IN.
- Pukall C.F., Binik, Y.M., Khalifé, S., Amsel, R., & Kao, A. (2003, May). *Pain measurement in women with vulvar vestibulitis syndrome.* Paper presented at a symposium on Urogenital Pain at the Canadian Pain Society, Toronto, Ontario.
- Binik, Y.M. (2002, November). *Does Sex Therapy Have a Future in the Treatment of Women's Sexual Dysfunction?* Invited colloquium presented at the Sexual dysfunction in Women; Diagnostics and Treatment. Leiden, the Netherlands.
- Binik, Y.M, (2002, October). *Vulvar Vestibulitis Syndrome: Research, Cure and Care- An Integrative Approach.* Paper presented at International Society for the Study of Women's Sexual Health, Oct.10-13, Vancouver, British Columbia.
- Khalifé, S. & Binik, Y.M. (2002, May). *A Multidisciplinary Approach to the Assessment and Treatment of Dyspareunia and Vaginismus.* Paper presented at the 36th annual meeting of the Association of Obstetricians and Gynecologists of Quebec, Rimouski, Quebec.
- Resissing, E., Binik, Y.M., Khalifé, S., & Amsel, R., (2002, February). *Does Vaginismus Exist? An Empirical Examination.* Paper presented at the 30th annual meeting of the North American Society for Psychosocial Obstetrics and Gynecology, Cancun, Mexico.
- Binik, Y.M. (2001, April) *Psychotherapy and the Internet.* Colloquium given to Quebec Association of Marital and Family Therapists, Montreal, Quebec.
- Binik, Y.M., Reissing, E., & Khalifé, S. (2000, October). *Does Muscular Spasm Characterize Vaginismus.* Paper presented at the annual meeting of the Female Sexual Function Forum: New Perspectives in the Management of Female Sexual Dysfunction, Boston, MA.

- Binik, Y.M. (2000, May). *Does Vaginismus Exist? New Data and a Case*. Presented at the weekly didactic rounds of the Department of Obstetrics, Gynecology and Reproductive Science of Mount Sinai Medical Center, New York, NY.
- Binik, Y.M. (2000, May). *Experimental and Therapy Outcome Studies of Dyspareunia*. Presented at Grand Rounds of the Dept. of Obstetrics, Gynecology and Reproductive Science of Mt. Sinai Medical Center, NYC.
- Binik, Y.M. (2000, January). *Vulvar Vestibulitis Syndrome and Sexual Pain*. Presented at Grand Rounds of the Department of Obstetrics and Gynecology of the Sir Mortimer B. Davis Jewish General Hospital, Montreal, Quebec.
- Binik, Y.M. (1999, October). *The Sexual Pain Disorders*. Master Lecture presented at Boston University Conference on Female Sexual Dysfunction. Boston, MA.
- Devins, G.M., Binik, Y.M., Barré, P.E., Mandin, H., & Paul, L.C. (1998, October). *Long-term knowledge retention following predialysis psychoeducational intervention*. Presented at the 11th annual Conference on Psychonephrology, New York, NY.
- Binik, Y.M. (1998, September). *Dyspareunia: Is the Pain Sexual or is the Sex Painful?* Presented at the International Conference on the Pelvic Floor. Montreal, Quebec.
- Binik, Y.M. (1998, July). *Vulvar Vestibulitis: An Update*. Presented at Sexual Medicine Rounds. St Marys Hospital. London, England.
- Binik, Y.M. (1998, June). *Assessment and diagnosis of sexual pain disorders*. Invited presentation at the 2nd Cape Cod Conference on Sexual Function Assessment in Clinical Trials, Cape Cod, MA.
- Binik, Y.M. (1997, November). *Live and learn: Pre-dialysis psychoeducational intervention*. Presented at the Symposium of the Kidney Foundation of Canada, Montreal, Quebec.
- Binik, Y.M. (1997, October). *Chronic Pain Syndromes of the Reproductive Organs in Women and Men: From Basic Science to Clinical Practice*. Presented at the American Pain Society, New Orleans, LA.
- Binik, Y.M. (1996, October). *Vivre et Apprendre*. Presented at a Progression de l'insuffisance rénale: Stratégies de prévention et modèles d'intervention. Montreal, Quebec.
- Binik, Y.M. (1996, June). *Sexual Pain Disorders: Conceptual and Empirical Issues*. Presented at the International Academy for Sex Research. Rotterdam, Holland.
- Binik, Y.M. (1996, May). <http://www.sex.bleep.noncom>: *Sexuality and the Internet*. Invited presentation at a symposium at the Society for the Scientific Study for Sexuality, Pittsburgh, PA.
- Binik, Y.M. (1994, August). *Sexpert an Expert System for Sex Therapy*. Presented at a symposium on Computers and the Delivery of Services in Health Psychology at American Psychology Association, Los Angeles, CA.
- Binik, Y.M. (1994, February). *Psychosocial factors predicting survival in ESRD patients*. Presented at Nephrology rounds, Maisonneuve-Rosemont Hospital, Montreal, Quebec.
- Binik, Y.M. (1993, November). *An Overview of Sex Therapy*. Presented at Grands Rounds in Psychiatry at the Reddy Memorial Hospital, Montreal, Quebec.
- Binik, Y.M. (1993, June). *What's New In Sex Therapy*. Talk presented at the CLSC Guy Metro, Montreal, Quebec.

- Binik, Y.M. (1993, June). *Sexpert: An expert system for the assessment and modification of sexual behavior*. Paper presented at the Social Science Research Council conference on Computers and Society, Tortola, BVI.
- Binik, Y.M. (1993, May). *Sexuality in Health and Disease*. Symposium organized by Y.M. Binik, Moderator, Canadian Psychological Association Meeting, Montreal, Quebec.
- Binik, Y.M. (1993, April). *Sexpert: An Artificially Intelligent Therapist (expert system) for the Assessment and Modification of Sexual Behavior*. Colloquium presented at the Department of Psychology, University of Ottawa, Ottawa, Ontario.
- Binik, Y.M. (1992, December). *Sexpert: Un système expert pour l'évaluation et le traitement des dysfonctions sexuelles*. Colloquium presented at l'école de psychologie, Université de Laval, Laval, Quebec.
- Binik, Y.M. (1991, November). *Assessing sexual function in general practice*. Presented at the Annual Retraining & Update Conference for Family Physicians, Montreal, Quebec.
- Binik, Y.M. (1992, October). *Sexuality and Arthritis*. Presented at Rheumatic Diseases: Management and Self Management, at the Jewish Rehabilitation Hospital, Montreal, Quebec.
- Binik, Y.M. (1991, May). *A Sex-expert System for the Evaluation of Sexual Function and Dysfunction*. Presented at The Use of Computers in Clinical Medicine, Montreal, Quebec.
- Binik, Y.M. & Servan-Schreiber, D. (1990, February). *A Computer-Based Psychotherapeutic Expert System for Sexual Dysfunction*. American Psychological Association, Boston, MA.
- Binik, Y.M. (1989, October). *Sexpert, An Expert System for the Assessment and Treatment of Sexual Dysfunction*. Colloquium presented at Queens University, Kingston, Ontario.
- Binik, Y.M. (1989, April). *Sexpert: Un système expert pour l'évaluation et le traitement des dysfonctions sexuelles*. Colloquium presented at UQAM, Montreal, Quebec.
- Binik, Y.M. (1998, November). *Using Artificially Intelligent Therapists for Clinical Assessment and Treatment*. Talk presented at Association for the Advancement of Behavioral Therapy, New York, NY.
- Binik, Y.M. (1998, February). *Quality of Life in ESRD*. Dialysis Consultants Meeting, Laguna Niguel.
- Binik, Y.M., Servan-Schreiber, D., Freiwald, S., Hall, K., and Lamarre, E. (1986, April). *Sexual Software: Applying Artificial Intelligence to the Evaluation and Treatment of Sexual Problems*. Presented at the American Association of Sex Educators, Counselors and Therapists. Los Angeles, CA.
- Binik, Y.M., Servan-Schreiber, D., Freiwald, (1985, June). *An Expert System for Computerized Diagnosis of Sexual Dysfunction*. Presented at Association of Sex Therapists and Counsellors, Montreal, Quebec.
- Binik, Y.M. & Hall, K. (1985, June). *What Goes Up Must Come Down, The Effects of Rising and Falling Blood Alcohol Levels on Penile Tumescence*. Presented at Association of Sex Therapists and Counsellors, Montreal, Quebec.
- Binik, Y.M. & Chowanec, G. (1984, June). *ESRD and the Marital Dyad*. Presented at Canadian Psychological Association, Ottawa, Ontario.
- Binik, Y.M. (1982, June). *A Pilot for a Longitudinal Study of Depression in ESRD*. Presented at Canadian Psychological Association, Montreal, Quebec.

Binik, Y.M (1980, February). *Death as a Dependent Variable*. Colloquium presented at Concordia University, Montreal, Quebec.

Binik, Y.M (1979, September). *Learned Helplessness in End-Stage Renal Disease*. Presented at Canadian Society of Dialysis Perfusionists, Montreal, Quebec.

Binik, Y.M & Devins, G. (1979, September). *Helplessness & Depression in End-Stage Renal Disease*. Presented at American Psychological Association, New York, NY.

Binik, Y.M (1978, August). *Learned Helplessness and Sudden Death*. Presented at International Congress of Applied Psychology, Munich, Germany.

Binik, Y.M (1977, June) *Learned Helplessness in Animals and Man*. Presented at Canadian Psychological Association, Toronto, Ontario.

Binik, Y.M (1977, June) *Handling, Housing and Helplessness as factors in Sudden Swimming Death*. Presented to Medical Research Council Research Group, Warneford Hospital, Oxford University, Oxford, England.

Binik, Y.M & Seligman, M.E.P. (1973, October). *The Safety signal hypothesis*. Presented at a conference on Signalling Unmodifiable Aversive Events, Pittsburg, PA.

h) Conference Papers

Morin, M., Bergeron, S., Khalife, S., Binik, Y.M. (September 2011) "Real time 4D ultrasonography measurements of the pelvic floor muscles in women with and without provoked vestibulodynia. Oral presentation at the World Congress of the International Society for the Study of Vulvovaginal Disease, Paris, France.

Morin, M., Bergeron, S., Khalife, S., Binik, Y.M., Ouellet, S. (August 2011). Comparing pelvic floor muscle biometry in women with and without dyspareunia using 4D real time transperineal ultrasound. Poster presentation at the annual meeting of the International Continence Society, Glasgow, UK.

Farmer, M.A., Leja, A., Fozen-Craft, E., Binik, Y.M., Pfaus, J., Mogil, J.S. (January 2011). *Female sexual motivation in the mouse is impaired by chronic pain*. Poster presented at 2010 McGill Pain Day at the Alan Edwards Centre for Research on Pain, Montreal, Quebec.

Davis, SN, Morin, M. Binik, Y.M., Carrier, S. (January 2011). *Ultrasound as a measure of pelvic floor muscle dysfunction in Urological Chronic Pelvic Pain Syndrome in Men*. Poster presented at 2010 McGill Pain Day at the Alan Edwards Centre for Research on Pain, Montreal, Quebec.

Farmer, M.A., Leja, A., Fozen-Craft, E., Binik, Y.M., Pfaus, J., Mogil, J.S. (November 2010). *Female sexual motivation in the mouse is impaired by chronic pain*. Poster present at 2010 annual meeting of the Society for Neuroscience, San Diego, California.

Farmer, M.A., Binik, Y.M., Mogil, J.S (August 2010). *Dyspareunia and so-called sexual pain*. Invited podium presented at the 13th World Congress on Pain, Montreal, Quebec.

Kao, A., Khalife, S., Funaro, D., Leroux, N., Amsel, R., Binik, Y.M. (August 2010). *Provoked vestibulodynia after menopause exists: Here's what it feels like*. Poster presentation at the 13th World Congress on Pain, Montreal, Quebec.

Morin, M., Bergeron, S., Khalife, S., Binik, Y.M., Ouellet, S. (August, 2010). Dynamometric assessment of the pelvic floor muscle function in women with and without provoked vestibulodynia. Oral presentation at the annual meeting of the International Continence Society and International Urogynecological Association, Toronto, Ontario, Canada.

- Kukkonen TM, Binik YM, Amsel R, Carrier S. (April, 2010). *Riding a heat wave of measurement into the 21st century: Applications of thermography to the study of sexual health*. Oral presentation at the Spring 2010 Colloquium of the Center for Studies in Behavioral Neurobiology, Concordia University, Montreal, Quebec.
- Kukkonen TM, Binik YM, Amsel R, Carrier S. (February, 2010). *The heat is on: Examining the reliability of genital temperature measurement in men and women*. Oral Presentation at the annual meeting of the International Society for the Study of Women's Sexual Health, St.Petersburg, Florida, USA.
- Farmer, M.A. & Binik, Y.M. (February, 2010). *Recurrent vulvovaginal Candida albicans infection causes persistent post-infection vulvar pain and altered vulvar innervation*. Oral presentation at the annual meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), St. Petersburg, Florida.
- Davis, SN, Binik, YM, Carrier, S. (January 2010). *Beyond the pelvis in chronic pelvic pain syndrome*. Poster presented at 2010 McGill Pain Day at the Alan Edwards Centre for Research on Pain, Montreal, Quebec.
- Farmer MA, Chan LJ, Foxen-Craft E., Leja A, J Becher J, Binik YM, Pfaus JG, & Mogil JS. (January, 2010). *"Not tonight, dear": Sex differences in decreased sexual behavior during genital and non-genital pain*. Poster presentation at 2010 McGill Pain Day at the Alan Edwards Centre for Research on Pain, Montréal, Canada.
- Farmer, M.A & Binik, Y.M. (August, 2009). *A potential etiology for provoked vestibulodynia: Repeated vulvovaginal Candida albicans infection causes persistent vulvar pain*. Invited podium presented at the annual meeting of the International Academy of Sex Research (IASR), San Juan, Puerto Rico.
- Davis. S., Binik, Y.M., Carrier, S. (August 2009). *Affirmative action: Men have pelvic pain too! Oral Presentation at the International Academy of Sex Research*, San Juan, Puerto Rico.
- Kukkonen TM, Binik YM, Amsel R, Carrier S. (April 2009). *Riding a heat wave of measurement: Establishing the validity of thermography as a measure of sexual arousal*. Oral Presentation at the 30th annual meeting of the Society of Behavioral Medicine, Montreal, Quebec, Canada. Abstract available in *Annals of Behavioral Medicine* (2009), 37 (supplement), p.s127.
- Kukkonen TM, Binik YM, Amsel R, Carrier S. (April 2009). *Almost everyone likes it hot! Assessing the validity of thermography as a physiological measure of sexual arousal*. Oral Presentation at the 34th annual meeting of the Society for Sex Therapy and Research, Arlington, Virginia, USA.
- Kukkonen TM, Binik YM, Amsel R, Carrier S. (February 2009). *Hot or not? Examining age related differences in genital temperature during sexual arousal via thermography*. Poster presentation at the annual meeting of the International Society for the Study of Women's Sexual Health, Florence, Italy.
- Kukkonen TM, Binik YM, Amsel R, Carrier S. (February 2009). *Almost everyone likes it hot! Assessing the validity of thermography as a physiological measure of sexual arousal*. Oral Presentation at the annual meeting of the International Society for the Study of Women's Sexual Health, Florence, Italy.
- Paterson, L.Q., Davis, S. N., Amsel, R., Khalife, S., Binik, Y.M., (April, 2009). *Persistent genital and pelvic pain after childbirth*. Poster presented at the Society for Sex Therapy and Research Annual meeting, Arlington, VA.
- Farmer, M. A., Taylor, A. M., MacIntyre, L., Bennett, Ribeiro-da-Silva, A. G.J., Binik, Y.M Mogil, J.S. (January, 2009). *A mouse model of provoked vestibulodynia: Vulvar hypersensitivity and altered vulvar innervation following repeated vulvovaginal candidiasis*. Poster presented at McGill University's 2009 Pain Day at the Alan Edwards Centre for Research on Pain, Montreal, Canada.

- Paterson, L.Q., Binik, Y.M., Amsel, R., Khalife, S. (October 2008). *Persistent genital and pelvic pain after childbirth*. Oral presentation at the Canadian Sex Research Forum, Montreal Quebec, Canada.
- Leclerc, B., Bergeron, S., Yitzchak M. Binik & Khalifé, S. (October 2008). *The impact of past sexual and physical abuse on current dyspareunia and associated psychological and sexual impairment*. Oral presentation at the Canadian Sex Research Forum, Montreal, Quebec.
- Leclerc, B., Bergeron, S., Binik, Y. M. & Khalifé, S. (Novembre 2008). *L'influence des expériences d'agressions sexuelles sur l'adaptation psychologique, sexuelle et dyadique des femmes atteintes de dyspareunie*. Communication par affiche présentée à la rencontre scientifique annuelle du Centre de recherche interdisciplinaire sur les problèmes conjugaux et les agressions sexuelles (CRIPCAS), Sainte-Béatrix.
- Farmer, M. A., Taylor, A. M. MacIntyre, L., Bennett, Binik, Y.M., Mogil, J.S.. (October 2008). *Behavioural and histological characterization of a mouse model of provoked vestibulodynia following recurrent yeast infections*. Oral presentation at the Canadian Sex Research Forum, Montreal, Quebec, Canada.
- Kao, A., Binik, Y.M., Khalife, S., Funaro, D., Leroux, N., Amsel, R. (October 2008). *Postmenopausal dyspareunia*. Oral presentation at the Canadian Sex Research Forum, Montreal, Quebec, Canada.
- Lahaie, M-A., Binik, Y. M., Amsel, R., Khalifé, S., & Pukall, C. (October 2008). *Fear and pain vs. muscle spasm as the main diagnostic criteria for vaginismus*. Oral presentation at the Canadian Sex Research Forum, Montreal, Quebec, Canada.
- Davis, S., Binik, Y.M., Carrier, S. (October 2008). *Measuring pelvic pain in men: A novel approach*. Oral presentation at the Canadian Sex Research Forum, Montreal, Quebec, Canada.
- Kukkonen, T.M., Binik, Y.M., Amsel, R., Carrier, S. (October 2008). *Some like it hot: Examining the validity of thermography as a physiological measure of sexual arousal*. Oral presentation at the Canadian Sex Research Forum, Montreal, Quebec, Canada.
- Davis, S., Binik, Y.M., Carrier, S. (October 2008). *Male dyspareunia? The relationship between prostatitis and sexual dysfunction*. Oral presentation at the Canadian Sex Research Forum, Montreal, Quebec, Canada.
- Farmer, M. A., Taylor, A. M. MacIntyre, L., Bennett,, Binik, Y.M., Mogil, J.S. (August, 2008). *Of mice and women: A mouse model of vulvodynia following recurrent vulvovaginal candidiasis*. Poster presented at the International Association for the Study of Pain (IASP) meeting. Glasgow, Scotland.
- Farmer, M. A., Taylor, A. M. MacIntyre, L., Bennett, G., Binik, Y.M., Mogil, J.S. (June, 2008). *Histological characterization of hypersensitive vulvar tissue in a mouse model of vestibulodynia*. Poster presented at the annual meeting of the Quebec Network of Junior Pain Investigators (QNJPI), Sherbrooke, Quebec.
- Davis, S., Binik, Y.M., Carrier, S. (June, 2008). *Pelvic pain in men: What we don't know can hurt us*. Poster Presentation at the Quebec Network of Junior Pain investigators, Sherbrooke, Quebec, Canada.
- Kao, A., Binik, Y.M., Khalifé, S., Funaro, D., Leroux, N., Lahaie, M.A. (2008, May). *Postmenopausal dyspareunia: A paucity of perspective*. McGill Colloquium on Biopsychosocial Approaches to Sexual Health (MCBASH), Montreal, Quebec, Canada.
- Davis, S., Binik, Y.M., Carrier, S. (April 2008). *Chronic Pelvic Pain in Men: Where it hurts and Why*, Oral Presentation at the McGill Colloquium on Biopsychosocial Approaches to Sexual Health (MCBASH), Montreal, Quebec, Canada.
- Farmer, M. A., Binik, Y. M., Crissman, H., MacIntyre, L. C., Bennett, G. W., & Mogil, J. S. (April, 2008). *Behavioral characterization of a mouse model of provoked vestibulodynia*. Oral presentation at the McGill Colloquium on Biopsychosocial Approaches to Sexual Health (MCBASH), Montréal, Québec.

- Paterson, L. & Binik, Y. M. (April, 2008). *Persistent genital and pelvic pain after childbirth*. Oral presentation at the McGill Colloquium on Biopsychosocial Approaches to Sexual Health (MCBASH), Montréal, Québec.
- Farmer, M. A., Binik, Y. M., & Mogil, J. S. (2008, March). *A mouse model of vestibulodynia following recurrent vulvovaginal candidiasis*. Poster presentation at the Annual Meeting of the Society for Sex Therapy and Research, Chicago, Illinois, USA.
- Farmer, M. A., Binik, Y. M., J. G. Pfaus, & J. S. Mogil (March, 2008). *Evidence for reduced sexual receptivity with vulvar and hindpaw zymosan using paced mating in the mouse*. Poster presentation at the upcoming Annual Meeting of the Society for Sex Therapy and Research, Chicago, Illinois, USA.
- Boyer, S. C., Lahaie, M-A., Binik, Y. M., & Amsel, R. (2008, March). *Behavioral observation of pain in a gynaecological setting: Pain behaviors as a diagnostic toll for sexual pain disorders*. Poster presentation at the Annual Meeting of the Society for Sex Therapy and Research, Chicago, Illinois, USA.
- Lahaie, M-A., Binik, Y. M., Amsel, R., Khalifé, S., & Pukall, C. (2008, March). *Fear and pain vs. muscle spasm as the main diagnostic criteria for vaginismus*. Oral presentation at the Annual Meeting of the Society for Sex Therapy and Research, Chicago, Illinois, USA, March 13-16, 2008.
- Kukkonen, T. M., Binik, Y. M., Amsel, R., Carrier, S. (2008, March). *The heat is on: Applying thermography to healthy and clinical populations*. Oral Presentation at the Annual Meeting of the Society for Sex Therapy and Research, Chicago, Illinois, USA, March 13-16, 2008.
- Davis, S. N., Binik, Y. M., Carrier, S. (2008, March). *Pinpointing pelvic pain in men: A novel approach*. Poster presentation at the 33rd Annual Meeting of the Society for Sex Therapy and Research, Chicago, Illinois, USA.
- Binik, Y.M. (2007, November). *Arousal sexual disorders: Hot research topics*. Presented at the Scientific Activity of the MUHC-RI Andrology Axis: Mini-Symposium on Andrology. Montreal, Quebec.
- Farmer, M.A., Binik, Y. M., McIntyre, L. C., Bennett, G. J. & Mogil, J. S. (2008, February). *Of mice and women: A mouse model of vestibulodynia following recurrent vulvovaginal candidiasis*. Poster presentation at the International Society for the Study of Women's Sexual Health (ISSWSH), San Diego, California.
- Farmer, M.A., Binik, Y. M., McIntyre, L. C., Pfaus, J. G. & Mogil, J. S. (2008, February). *Not tonight dear, I have a vulvache: Evidence for reduced sexual receptivity with vulvar and hindpaw zymosan using paced mating in the mouse*. Poster presentation at ISSWSH, San Diego, California.
- Farmer, M. A., Binik, Y. M., McIntyre, L. C., Bennett, G. J., & Mogil, J. S. (2008, January). *A mouse model of vestibulodynia following recurrent vulvovaginal candidiasis*. Poster presented at 2008 McGill Pain Day at the Alan Edwards Centre for Research on Pain, Montreal, Quebec.
- Farmer, M. A., Binik, Y. M., McIntyre, L. C., Pfaus, J. G., & Mogil, J. S. (2008, January). *Evidence for reduced sexual receptivity with vulvar and hindpaw zymosan using paced mating in the mouse*. Poster presented at 2008 McGill Pain Day at the Alan Edwards Centre for Research on Pain, Montreal, Quebec.
- Paterson, L. Q., Binik, Y. M., Amsel, R., & Khalifé, S. (2008, January). *Prevalence and predictors of postpartum chronic genital and pelvic pain in women*. Poster presented at 2008 Annual McGill Pain Day at the Alan Edwards Centre for Research on Pain, Montreal, Quebec.
- Davis, S. N., Binik, Y. M., Carrier, S. (2008, January). *Where is it and what is it? A closer look at pelvic pain in men*. Poster presentation at the 2008 Annual McGill Pain Day at the Alan Edwards Centre for Research on Pain, Montreal, Quebec.
- Kao, A., Binik, Y.M., Khalifé, S., and Amsel, R. (2007). *Vulvar vestibulitis syndrome after menopause? If the criteria fit...* Poster presentation at the 33rd annual meeting of the International Academy of Sex Research (IASR), Vancouver, British Columbia.

- Kao, A., Binik, Y.M., and Khalifé, S. (2007). *Vulvar vestibulitis syndrome – Not just a premenopausal pain*. Poster presentation at the 11th Annual McGill Pain Day. Montreal, Quebec, Canada.
- Farmer MA, Binik YM, Mogil JS, Bennett GM. (2007, August). *Altered vulvar mechanical sensitivity in the mouse following a single vulvovaginal infection from candida albicans*. Poster session at the 33rd annual meeting of the International Academy of Sex Research, Vancouver, British Columbia, Canada.
- Kukkonen TM, Binik YM, Amsel R, Davis S, Carrier S. (2007, August). *In the heat of the moment: A thermographic evaluation of sexual arousal in men and women*. Oral Presentation at the 33rd annual meeting of the International Academy of Sex Research, Vancouver, British Columbia, Canada.
- Kukkonen TM, Davis S, Binik YM, Amsel R, Carrier S. (2007, April). *Arousal of the sexes: thermography as a common tool for the measurement of physiological sexual arousal in men and women*. Oral Presentation at the 17th Annual McGill Urology Research Day, Montreal, Quebec, Canada.
- Kukkonen TM, Davis S, Binik YM, Amsel R, Carrier S. (2007, March). *Sexual arousal is a hot topic! This requires thermographic measurement for both men and women*. Presentation at the 32nd Annual Meeting of the Society for Sex Therapy and Research, Atlanta, Georgia, USA.
- Farmer MA, Binik YM, Mogil JS, & Bennett GM. (2007, February). *Reduced vulvar mechanical sensitivity in a mouse model of vulvar vestibulitis syndrome using Candida albicans*. Oral presentation at the Annual meeting of the International Society for the Study of Women's Sexual Health, Orlando, Florida, USA.
- Kukkonen TM, Binik YM, Amsel R, Carrier S. (2007, February). *Thermography as a physiological measure of sexual arousal in both men and women*. Oral Presentation at the Annual meeting of the International Society for the Study of Women's Sexual Health, Orlando, Florida, USA. *Winner of Best Paper in Biology Clinical Sciences Category.
- Pukall CF, Kandyba K, Amsel R, Khalifé S, Binik YM. (2007, February). *Effectiveness of hypnosis for the treatment of vulvar vestibulitis syndrome*. Presented at the Annual Meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), Orlando FL.
- Farmer, M. A., Binik, Y. M., & Mogil, J. S. (2007, February). *Mouse model of vulvar vestibulitis following a single Candida albicans infection*. Podium presented at ISSWSH, Orlando, Florida.
- Farmer, M. A., Binik, Y. M., & Mogil, J. S. (2007, January). *Reduced vulvar mechanical sensitivity in a mouse model of vulvar vestibulitis syndrome using Candida albicans infection*. Poster session presented at the 11th annual McGill Pain Day, McGill University, Montreal, Quebec.
- Kao A, Binik YM, & Khalifé, S. (2007, January). *Vulvar vestibulitis syndrome – not just a premenopausal pain*. Poster presented at the 11th annual McGill Pain Day, McGill University, Montreal, Quebec.
- Kukkonen TM, Binik YM. (November 2006). *Are men really from Mars and women really from Venus? Evidence from the physiological study of sexual arousal*. Presented at the Obstetrics and Gynecology Grand Rounds, Sir Mortimer B. Davis Jewish General Hospital, Montreal, Quebec, Canada. November 17, 2006.
- Kukkonen TM, Binik YM, Amsel R, Carrier S. (2006, September). *Physiological Measurement of Sexual Arousal is a Hot Topic! Let's Examine it Appropriately Through Thermal Imaging for Both Men and Women*. Oral Presentation at the 32nd Annual Meeting of the Canadian Sex Research Forum. Ottawa, Ontario, Canada: September 28-30, 2006.
- Pukall CF, Sutton KS, Smith KB, Baron M, Khalifé S, Amsel R, Binik YM (2006, April). *How far does the pain of vulvar vestibulitis spread?* Presented at the James A. Low Research Day, Queen's University, Kingston, ON.

- Kukkonen TM, Binik YM, Carrier, S (2005, November). *Thermoimaging as a measure of male sexual arousal*. Presentation at the Sexual Medicine Society of North America. New York, New York, USA.
- Flory, N, Bissonnette, F, Amsel, RT, & Binik, YM (2005, October). *The Outcomes of Total and Subtotal Hysterectomy*. Talk presented at the 6th annual meeting of the International Scientific Society for the Study of Women's Sexual Health (ISSWSH). Las Vegas, Nevada, USA.
- Pukall CF, Strigo IA, Binik YM, Amsel R, Khalifé S, Bushnell MC (2005, October). *Neural augmentation of genital sensory processing in women with vulvar vestibulitis syndrome*. Presented at the International Society for the Study of Women's Sexual Health (ISSWSH), Las Vegas, USA.
- Bergeron, S., Khalifé, S., Dupuis, M. J., Mailloux, G., & Binik, Y. M. (2005, July). *Vulvar vestibulitis syndrome: A randomized trial comparing cognitive-behavioral therapy to medical management*. Paper presented as part of a symposium on vulvodynia at the XVII World Congress of Sexology, Montréal, Canada.
- Kukkonen TM, Binik YM, Carrier S (2005, July). *Thermal imaging: An alternative measure of sexual arousal*. Poster Presentation at the 31st Annual Meeting of the International Academy of Sex Research. Ottawa, Ontario, Canada.
- Payne KA, Thaler L, Pukall CF, Amsel R, Khalifé S, & Binik YM. (2005, July). *The influence of sexual arousal on genital and non-genital sensation in women*. Paper presented at the 31st Annual Meeting of the International Academy of Sex Research, Ottawa, Ontario, Canada.
- Pukall CF, Strigo IA, Binik YM, Amsel R, Khalifé S, Bushnell MC (2005, July). *Neural augmentation of genital sensory processing in women with vulvar vestibulitis syndrome*. Presented at the 31st Annual Meeting of the International Academy of Sex Research (IASR), Ottawa, Ontario, Canada.
- Flory, N., Bissonnette, F., Amsel, R. T., & Binik, I. M. (2005, July). *Gynecological pain and hysterectomy*. Talk presented as part of a symposium entitled Vulvodynia: A multidisciplinary theoretical, empirical, and clinical perspective at the 17th World Congress of Sexology (WCS) meeting, Montreal, Quebec, Canada
- Kukkonen TM, Binik YM, Carrier, S (2005, July). *Thermal imaging as a physiological measure of sexual arousal in men*. Oral Presentation at the 17th World Congress of Sexology. Montreal, Quebec, Canada.
- Muldoon K, Larouche J, Amsel R, Binik YM, Carrier S (2005, July). *A controlled study to evaluate the impact of a psychosocial assessment on treatment compliance and satisfaction in men with erectile dysfunction*. Poster Presentation at the 17th World Congress of Sexology. Montreal, Quebec, Canada.
- Pukall CF, Strigo IA, Binik YM, Amsel R, Khalifé S, Bushnell MC (2005, July). *Psychophysical and neural correlates of genital touch and pain in women with vulvar vestibulitis syndrome*. Talk presented as part of a symposium entitled Vulvodynia: A multidisciplinary theoretical, empirical, and clinical perspective, at the 17th World Congress of Sexology (WCS) meeting, Montreal, Quebec, Canada.
- Payne, K.A., Prause, N., Kukkonen, T.M., Janssen, E., Cerny, J., & Binik, Y.M. (2005, July). *Alternative Methods for the Measurement of Human Sexual Arousal*. Workshop presented at the 17th World Congress of Sexology, Montreal, Quebec.
- Payne, K.A., Thaler, L., Pukall, C.F., Amsel, R., Khalifé, S., & Binik, Y.M. (2005, April). *Sexual arousal and sensory functioning in vulvar vestibulitis syndrome*. Poster session presented at the 30th annual meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.
- Pukall, C.F., Baron, M., Amsel, R., Khalifé, S., & Binik, Y.M. (2005, April). *Tender point examination in women with vulvar vestibulitis syndrome*. Poster session presented at the 30th Annual Meeting of the Society for Sex Therapy and Research (SSTAR), Boston, MA.

- Payne, K.A., Thaler, L., Pukall, C.F., Amsel, R., Khalifé, S., & Binik, Y.M. (2005, April). *Sexual arousal and sensory functioning in vulvar vestibulitis syndrome*. Poster session presented at the 30th annual meeting the Society for Sex Therapy and Research (SSTAR), Boston, MA.
- Payne, K.A., Thaler, L., Pukall, C.F., Amsel, R., Khalifé, S., & Binik, Y.M. (2005, January). *Coping with painful intercourse*. Poster session presented at the 9th annual McGill Pain Day, Montreal, Quebec.
- Payne, K.A., Thaler, L., Amsel, R., Khalifé, S., & Binik, Y.M. (2004, October). *How cognition influences pain and sexual arousal in women suffering from vulvar vestibulitis syndrome*. Paper presented at the 31st annual meeting of the Canadian Sex Research Forum, Fredericton, New Brunswick.
- Payne, K.A., Thaler, L., Pukall, C.F., Amsel, R., Khalifé, S., & Binik, Y.M. (2004, October). *Does sexual arousal influence genital and non-genital pain perception?* Poster session presented at the annual meeting of the International Society for the Study of Women's Sexual Health (ISSWSH), Atlanta, GA.
- Payne, K.A., Thaler, L., Pukall, C.F., Amsel, R., Khalifé, S., & Binik, Y.M. (2004, October). *Coping with painful intercourse; Implications for sexual arousal and sensation*. Poster session presented at the Vulvodysnia and Sexual Pain Disorders in Women: A State of the Art Conference, Atlanta, GA.
- Pukall, C.F., Strigo, I.A., Binik, Y.M., Khalifé, S., & Bushnell, M.C. (2004, May). *Neural processing of genital touch and pain in women with vulvar vestibulitis syndrome: A functional magnetic resonance imaging study*. Paper presented at the 2nd Joint Scientific Meeting of the Canadian and American Pain Societies, Vancouver, British Columbia.
- Pukall, C.F., Baron, M., Khalifé, S., & Binik, Y.M. (2004, May). *Tender point examination in women with vulvar vestibulitis syndrome: Evidence for generalized and heightened pain sensitivity to manual palpation*. Poster session presented at the 2nd Joint Scientific Meeting of the Canadian and American Pain Societies, Vancouver, British Columbia.
- Payne, K. A., Binik, Y. M., Amsel, R., & Khalifé, S. (2004, May). *An Information Processing Approach to the Study of Vulvar Vestibulitis Syndrome*. Talk presented at the 2nd Annual Joint Scientific Meeting of the American Pain Society and the Canadian Pain Society, Vancouver, British Columbia.
- Lahaie, M-A., Binik, Y.M., Pukall, C.F., & Khalifé, S. (2004, May). *Le vaginisme : Une phobie de la pénétration vaginale ou un désordre de douleur sexuelle?* Paper presented at the 72nd annual meeting of the Association Canadien-Francais pour l'Avancement des Sciences, Montreal, Quebec.
- Payne, K. A., Binik, Y. M., Amsel, R., & Khalifé, S. (2004, April). *Le rôle des variables cognitives et affectives dans le syndrome de la vestibulite vulvaire*. Talk presented at 72nd Annual Meeting of La Société des Savoir, Montreal, Quebec.
- Payne, K. A., Binik, Y. M., Amsel, R., & Khalifé, S. (2004, April). *The Role of Attention in Painful Sex*. Talk presented at the 2004 Annual Meeting of the Society for Sex Therapy and Research, Arlington, VA.
- Pukall, C.F., Strigo, I.A., Binik, Y.M., Khalifé, S., & Bushnell, M.C. (2004, January). *Functional magnetic resonance imaging of vulvar tactile sensation in control women*. Poster session presented at McGill Pain Day, McGill University, Montreal, Quebec.
- Pukall, C.F., Strigo, I.A., Binik, Y.M., Khalifé, S., Kao, A., & Bushnell, M.C. (2003, October). *Imaging genital touch and pain in women with vulvar vestibulitis syndrome*. Paper presented at the International Society for the Study of Women's Sexual Health, Amsterdam, The Netherlands.
- Payne, K. A., Binik, Y. M., Amsel, R., & Khalifé, S. (2003, July). *An examination of information processing, anxiety, and fear in vulvar vestibulitis syndrome*. Poster session presented at the 29th annual meeting of the International Association for Sex Research, Bloomington, IN.

- Kukkonen, T.M., Khalife, S., Binik, Y.M., Amsel, R. (2003, July) *Hemodynamics of the clitoris during sexual arousal*. Poster session presented at the 29th Annual Meeting of the International Association of Sex Research, Bloomington, IN.
- Flory, N., Binik, Y.M., & Bissonnette, F. (2003, July). *The psychosexual effects of total and subtotal hysterectomy*. Poster session presented at the 29th Annual Meeting of the International Association of Sex Research, Bloomington, IN.
- Reissing, E.D., Binik, Y.M., Amsel, R.A. & Khalife, S. (2003, June). *Vaginal spasm pain and behavior: An empirical examination of the concept of vaginismus*. Paper presented at the Hawaii International Conference on Social Sciences, Honolulu, Hawaii.
- Pukall, C.F., Strigo, I.A., Binik, Y.M., Khalifé, S., & Bushnell, M.C. (2003, June). *Functional magnetic resonance imaging of vulvar tactile sensation [abstract]*. Poster session presented at the 9th International Conference on Functional Mapping of the Human Brain, New York, NY.
- Kukkonen, T.M., Khalife, S., Binik, Y.M., Amsel, R. (2003, June). *Clitoral blood flow as a measure of sexual arousal*. Poster session presented at the 10th Congress of the World Federation for Ultrasound in Medicine and Biology. Montreal, Quebec.
- Pukall, C.F., Binik, Y.M., Khalifé, S., Amsel, R., & Kao, A. (2003, May). *Pain measurement in women with vulvar vestibulitis syndrome*. Paper presented at a symposium on Urogenital Pain at the Canadian Pain Society meeting, Toronto, Ontario.
- Pukall, C.F., Binik, Y.M., & Khalifé, S. (2003, May). *Vulvalgesiometer: A new instrument for genital pain assessment*. Poster session presented at the Canadian Pain Society meeting, Toronto, Ontario.
- Payne, K.A., Binik, Y.M., Amsel, R., Khalifé, S., & Kao, A. (2003, May). *An Information Processing Approach to the Study of Vulvar Vestibulitis Syndrome*. Paper to be presented at the Canadian Pain Society (CPS) Annual Conference, Toronto, Ontario. (declined)
- Pukall, C.F., Strigo, I.A., Binik, Y.M., Khalifé, S., & Bushnell, M.C. (2003, April). *Touch and pain sensation in women with vulvar vestibulitis syndrome: Psychophysical and neural correlates*. Paper presented at the Philip R. Bromage Anesthesia Research Day, Montreal, Quebec.
- Pukall, C.F., Strigo, I.A., Binik, Y.M., Khalifé, S., & Bushnell, M.C. (2003, April). *Touch and pain sensation in women with vulvar vestibulitis syndrome: Psychophysical and neural correlates*. Paper presented at the Philip R. Bromage Anesthesia Research Day, Montreal, Quebec.
- Payne, K.A., Binik, Y.M., Amsel, R., Khalifé, S., & Lahaie, M.-A. (2003, January). *Hypervigilance, Anxiety and Fear: Implications for Vulvar Vestibulitis Syndrome*. Poster session presented at the 7th annual McGill Pain Day, Montreal, Quebec.
- Reissing, E.D., Binik, Y.M., & Khalifé, S. (2002, November). *Vaginal Spasm, Pain and Behavior: Redefining Vaginismus*. Paper presented as part of a symposium at the Society for the Scientific Study of Sexuality, Montreal, Quebec.
- Bergeron, S., Binik, Y.M., & Khalifé, S. (2002, November). *Long term outcome of surgical and behavioral treatments for dyspareunia*. Paper presented as part of a symposium at the Society for the Scientific Study of Sexuality, Montreal, Quebec.
- Payne, K. A., Binik, Y. M., Amsel, R., Khalifé, S., & Lahaie, M.-A. (2002, November). *An Investigation of Fear-Mediated Hypervigilance in Women Suffering from Vulvar Vestibulitis Syndrome*. Poster presented at the annual meeting of the Society for the Scientific Study of Sexuality, Montreal, Quebec.

- Pukall, C.F., Binik, Y.M., Khalifé, S., Abbott, F.V., Amsel, R., & Kao, A. (2002, November). *Sensory abnormalities in women with vulvar vestibulitis syndrome*. Paper presented as part of a symposium at the Society for the Scientific Study of Sexuality, Montreal, Quebec.
- Bergeron, S., Binik, Y.M., & Khalifé, S. (2002, November). *Long-term outcome of surgical and behavioral treatments for dyspareunia*. Paper presented as part of a symposium at the Society for the Scientific Study of Sexuality, Montreal, Quebec.
- Reissing, E.D., Binik, Y.M., Khalifé, S. (2002, November). *Sensory abnormalities in women with vulvar vestibulitis syndrome*. Paper presented as part of a symposium at the Society for the Scientific Study of Sexuality, Montreal, Quebec.
